WHEREAS, the Act authorizes the Authority to issue its bonds from time to time but subject to the approval of the RPB;

NOW THEREFORE BE IT RESOLVED THAT:

1. The RPB hereby approves the issuance of the Authority's Bonds in an aggregate principal amount not to exceed Six Million Twenty Thousand Dollars (\$6,020,000) and further resolved;

The purposes of the Bonds shall be to finance or refinance the cost of the design of the Lake Whitney Dam and Spillway Improvements (the “Project”) to provide funds for deposit to the Capital Contingency Fund, Debt Reserve Fund, and Operating Reserve Fund, as necessary pursuant to the General Bond Resolution and as permitted by the Internal Revenue Code of 1986, as amended and to pay costs of issuance and further resolved;
4. The Bonds may be sold by negotiation as serial or term bonds with stated maturities and may be sold in a private or direct placement to a bank, the State of Connecticut or the United States of America.
