SAFETY MOMENT

MAY IS NATIONAL WATER SAFETY MONTH!!!!

With the promise of summer comes more time spent near and in the water. Below are some tips from the American Red Cross to keep your family safe:

- Ensure members of your family learn to swim
- Use barriers to prevent access to water by young children
- Use life jackets
- Supervise children while swimming
- Know what to do when someone is struggling in the water

By working together to improve water competency including swimming skills, water smarts and helping others, water activities can be safer and just as much fun.
